# MERRY CHRISTMAS

## Fill your team with positive attitudes

The success of any team depends on the positive attitudes of its members and its leader. Demonstrate—and reinforce—these important personal guidelines:

- **Ego control.** Remember, you're committed to the goals of the team, not your own ambitions. Can you and the rest of your team put the group's priorities first?
- **Admitting mistakes.** Be willing to honestly concede errors so the team can move on.
- **Constructive disagreement.** Hiding your expertise just to avoid conflict won't help the team achieve its goals. Everyone has to be willing to stand up for his or her ideas and to listen respectfully to other points of view.

## Easy Peanut Butter Cups

Ingredients: (Makes 24)

- 4 ounces white chocolate, chopped
- 1/2 cup smooth peanut butter
- 12 ounces semisweet or bittersweet chocolate, chopped
- 2 tablespoons unsalted roasted peanuts, chopped

### Directions:

1. Line two 12-cup mini muffin pans with paper liners; set aside. In a microwave-safe bowl, combine white chocolate and peanut butter. Microwave, until almost melted, 1 to 1 1/2 minutes, stirring halfway through. Set aside to cool slightly.
2. Meanwhile, place semisweet chocolate in another microwave-safe bowl. Microwave, stirring once or twice, until almost melted, 2 to 3 minutes.
3. Dividing evenly, use a spoon to layer semisweet chocolate and peanut-butter mixture into liners, beginning and ending with chocolate; sprinkle with peanuts. Place muffin pans in freezer until peanut butter cups are firm, about 15 minutes. Bring to room temperature before serving.

To store, place in an airtight container and refrigerate up to 2 weeks.
