**A man, a dog, and a bar**

A man walked into a bar with his dog. The bartender took one look at the two of them and said, "You can't bring that dog in here!" The guy, without missing a beat, replied, "This is my seeing-eye dog."

"Oh," the bartender said, embarrassed. "I'm sorry. Here, the first one's on me." And he gave the man a drink.

A few minutes later another man entered the bar with a Chihuahua. The bartender frowned, suspicious. "Hey, you can't bring that dog in here!"

The second man said, "But this is my seeing-eye dog."

The bartender said, "I don't think so. They don't use Chihuahuas as seeing-eye dogs."

The second man paused for a half-second and then said, "What? They gave me a Chihuahua?"
